1. ELIGIBILITY FOR FINAL REVIEW

A. Eligibility

All Final Reviews must be held at the end of the semester in which you complete your regular program units. You must declare your graduation term before a tentative date can be set. The process has three steps: 1.

DECLARATION: In the semester prior to your Final Review, you can either contact your advisor to declare your graduation term or go through your self-service page. Additional graduation declaration and commencement information is found online here:

<http://www.academyart.edu/content/aau/en/students/my-academy/academic-resources/graduation-commencement.html>

2. **REGISTRATION:** Register for your final semester of coursework with your advisor or online through your [Online Student Registration Profile](#).

3. **REVIEW SIGN-UP:** Once you have declared your graduation term and registered for courses, at the start of the semester you are presenting, you will need to review the Final Review online orientation and complete the online sign-up form available here: <http://gradshowcase.academyart.edu/>. Refer to the Graduate School Calendar for the available online sign-up dates here: <http://www.academyart.edu/students/my-academy/academic-resources/graduate-student-academic-resources>. See further details for scheduling a final review below.

NOTE: If Final Thesis Project conditions have not been met within two semesters, you will need to reapply to the Graduate School to graduate.

Plan ahead and prepare as much of your project as possible by the beginning of the semester. Strive to have only your final touches remaining to be completed *during* your last semester of coursework.

2. SCHEDULING YOUR FINAL REVIEW

A. Review Date

Final Reviews are conducted in the spring, summer and fall semesters. Presentations typically start in the eleventh or twelfth week of the fall or spring semester and in the sixth week of the summer semester. You can find the sign-up dates in the Graduate School Calendar:

9. ONLINE PRESENTATION DETAILS

A. Scheduling a Meeting with an Online Graduate Review Coordinator

Academy of Art University's Online Graduate Review process provides a means for Academy students to present their project proposals via the Academy's online meeting environment. An Online Graduate Review Coordinator will contact you after your review has been scheduled to test your computer, internet connection, web-camera, and telephone. The Online Graduate Review Coordinator will also show you how the online review process works and how to upload and use your slideshow during your oral presentation. Students presenting online are required to have their equipment and any required presentation materials ready to upload and test at least two weeks prior to the presentation date (1 week for the Summer Semester).

B. Online Presentation Guidelines

You are required to provide a PowerPoint or PDF presentation with visual and written information that will go along with your oral presentation. Be sure to follow your department guidelines, as some departments have different requirements. You can also find a checklist below with details on what to include in your presentation.

Font: Use an easily readable font (some fonts do not load correctly in Adobe Connect for PPT files). Use a font size and color that is clear to read.

Images: Images need to be in JPEG format and optimized for web viewing. Review your department requirements for labeling and titling your images.

Credit: When including art made by other artists, credit the artist.

Content: It is best to keep the text in bullet point format or very short clear sentences instead of written paragraphs. References, copyright information, and technical notes may be included at the end of the presentation.
