1. ELIGIBILITY FOR FINAL REVIEW

A. Eligibility

All Final Reviews must be held at the end of the semester in which you complete your regular program units.

You must declare your graduation term before a tentative date can be set. The process has three steps:

1. **DECLARATION:** In the semester prior to your Final Review, you can either contact your advisor to declare your graduation term or go through your self-service page. Additional graduation declaration and commencement information is found online here:
<http://www.academyart.edu/content/aau/en/students/my-academy/academic-resources/graduation-commencement.html>
2. **REGISTRATION:** Register for your final semester of coursework with your advisor or online through your [Online Student Registration Profile](#).
3. **REVIEW SIGN-UP:** Once you have declared your graduation term and registered for courses, at the start of the semester you are presenting, you will need to review the Final Review online orientation and complete the online sign-up form available here: <http://gradshowcase.academyart.edu/>. Refer to the Graduate School Calendar for the available online sign-up dates here: <http://www.academyart.edu/students/my-academy/academic-resources/graduate-student-academic-resources>. See further details for scheduling a final review below.

NOTE: If Final Thesis Project conditions have not been met within two semesters, you will need to reapply to the Graduate School to graduate.

Plan ahead and prepare as much of your project as possible by the beginning of the semester. Strive to have only your final touches remaining to be completed *during* your last semester of coursework.

2. SCHEDULING YOUR FINAL REVIEW

A. Review Date

Final Reviews are conducted in the spring, summer and fall semesters. Presentations typically start in the eleventh or twelfth week of the fall or spring semester and in the sixth week of the summer semester. You can find the sign-up dates in the Graduate School Calendar:

<http://www.academyart.edu/students/my-academy/academic-resources/graduate-student-academic-resources>

No Final Reviews are permitted during the intersession. A finalized date will be set during the semester the Final Review is to be conducted, based on director availability. This date can be changed only in case of personal emergency, and must be approved by both the Graduate School and the department director to be official.

NOTE: Please communicate with your Graduate Advisor about when would be the most appropriate term to schedule your Final Review. It is important to know the final cut-off date for scheduling your review. You should receive an email from the Final Review Coordinator approximately one week prior to the start of the semester you will be presenting your Final Review with details on how to sign-up. The email will direct you to the Graduate Midpoint and Final Review Showcase <http://gradshowcase.academyart.edu/>.

B. Review Orientation

You are required to watch the online Final Review Orientation prior to completing the Final Review sign-up form online. You have the option of presenting your Midpoint or Final Review online or on campus. If you will be doing your Final Review online please review the [online presentation specifications](#). You will be sent confirmation of your review date shortly after the close of the review sign-up period. Please [contact](#) the Final Review Coordinator if you have any questions on scheduling your review.

C. Attendance & Cancellations

Final Review attendance is mandatory. All Final Reviews must be held at the end of the semester in which you complete your regular program units. If you do not attend the Final Review will be considered a “No Show” and will be noted as “Not Approved”.

7. FREQUENTLY ASKED QUESTIONS

When can I schedule my Final Review?	Once you have completed your eligibility requirements and have petitioned to graduate, contact the Final Review Coordinator via email at FinalReview@academyart.edu to be added to the presentation list. <i>You must be in contact with the Coordinator no later than the first few days of the semester you wish to present.</i>
How many pages should the thesis book be?	There is no specified length for the completed written proposal. There are some sections that have limitation of length, but the main part of your proposal does not have a limit. The written proposal should be thorough in describing all aspects of your project, but you also want to think about how you can be concise and avoid redundancy of information in the content.
If I'm an online student, do I need to send in physical samples of my class work?	No.
Can we include work we've done outside of the Academy?	Work not executed at the Academy of Art University should not constitute more than 10% of your portfolio presentation.
Can I use fancy text, borders and custom backgrounds for my PowerPoint presentation?	We would recommend against it. Simple, easy to read and easy to see content is best.
