Master of Arts, Fine Art Sculpture Final Portfolio Review Instructions

Requirements:

- Upload 8-10 quality photographs of finished sculpture works. Photographs submitted should be professional portfolio and gallery standard.
- Works chosen must demonstrate proficiency of sculpting skills and techniques as well as use of appropriate media for finished work to express aesthetic choices.
- Student must also submit a written artist statement that clearly communicates their ideas about the chosen works.

Upload all documents noted to the Portfolio section of the review within your Student Portal by the deadline provided in your review confirmation.
