## Oral Presentation

Academy of Art University's Online Midpoint Review provides a means for online/offsite Academy students to present their thesis proposals via the Academy's online meeting environment. You have the option of presenting your Midpoint Review online or on-campus. On-campus students must bring their journals to the review.

You are convincing the committee to allow you to go ahead with your proposal. Confidence, enthusiasm, and knowledge of your intended project are important to the outcome.

**Duration:** Midpoint Reviews are approximately 1 hour in duration. The student's oral presentation should be succinct and should be completed in approximately 20 minutes or less.

**Content & Timing:** Your oral presentation should be presented in approximately thirty (30) minutes.

**Professional Appearance:** Dress for your review in a manner appropriate for presentation to potential employers - professionally.

**Practice and Prepare:** Practice your oral presentation in advance of your review to ensure your comfort level during the presentation. Be prepared to answer questions when you are finished.

## Oral Presentation Checklist

- General Oral Presentation Guidelines

The Midpoint Review is a formal presentation before a Review Committee, where the Graduate School evaluates your eligibility for Master's candidacy based on the following:

- Challenge and quality of proposed Final Project
- Level of critical thinking and problem solving
- Quality of work completed and presented

- Midpoint Review Committee

The Midpoint Review Committee is comprised of Department Directors, faculty and/or industry professionals approved by the Graduate School and the Department Directors. Specific recommendations will be made for students whose final thesis project proposal is not approved at Midpoint Review.

## Frequently Asked Questions

### **Q: When can I schedule my Midpoint Review?**

A: Once you have completed your eligibility requirements, you can sign up online when the sign up is available. Check the Graduate School calendar for dates and the Graduate School's Midpoint Review Page for the sign up link.

### **Q: How many pages should the thesis book be?**

A: There is no specified length for the completed written proposal. There are some sections that have limitation of length, but the main part of your proposal does not have a limit. ### **Q: If I'm an online student, do I need to send in physical samples of my class work?**

A: No.

### **Q: Can we include work we've done outside of the Academy?**

A: Work not executed at the Academy of Art University should not constitute more than 10% of your portfolio presentation.

### **Q: Am I supposed to have a fully developed thesis or portfolio prepared for the Midpoint?**

A: No. That will be developed through your group directed studies after you pass your Midpoint Review.

### **Q: Can I use fancy text, borders and custom backgrounds for my PowerPoint presentation?**

A: We would recommend against it. Simple, easy to read and easy to see content is best.
