1. ELIGIBILITY FOR FINAL REVIEW

A. Eligibility

All Final Reviews must be held at the end of the semester in which you complete your regular program units. You must declare your graduation term before a tentative date can be set. The process has three steps:

1. **DECLARATION**: In the semester prior to your Final Review, you can either contact your advisor to declare your graduation term or go through your self-service page. Additional graduation declaration and commencement information is found online here:
   
   [http://www.academyart.edu/content/aau/en/students/my-academy/academic-resources/graduation-commencement.html](http://www.academyart.edu/content/aau/en/students/my-academy/academic-resources/graduation-commencement.html)

2. **REGISTRATION**: Register for your final semester of coursework with your advisor or online through your Online Student Registration Profile.

3. **REVIEW SIGN-UP**: Once you have declared your graduation term and registered for courses, at the start of the semester you are presenting, you will need to review the Final Review online orientation and complete the online sign-up form available here: [http://gradshowcase.academyart.edu/](http://gradshowcase.academyart.edu/). Refer to the Graduate School Calendar for the available online sign-up dates here: [http://www.academyart.edu/students/my-academy/academic-resources/graduate-student-academic-resources](http://www.academyart.edu/students/my-academy/academic-resources/graduate-student-academic-resources). See further details for scheduling a final review below.

**NOTE**: If Final Thesis or Portfolio project conditions have not been met within two semesters of completing AAU coursework, you will need to reapply to the Graduate School in order to graduate.

Plan ahead and prepare as much of your project as possible by the beginning of the semester. Strive to have only your final touches remaining to be completed *during* your last semester of coursework.

2. SCHEDULING YOUR FINAL REVIEW

A. Review Date

Final Reviews are conducted in the spring, summer and fall semesters. Presentations typically start in the eleventh or twelfth week of the fall or spring semester and in the sixth week of the summer semester. You can find the sign-up dates in the Graduate School Calendar:

[http://www.academyart.edu/students/my-academy/academic-resources/graduate-student-academic-resources](http://www.academyart.edu/students/my-academy/academic-resources/graduate-student-academic-resources)
No Final Reviews are permitted during the intersession. A finalized date will be set during the semester the Final Review is to be conducted, based on director availability. This date can be changed only in case of personal emergency, and must be approved by both the Graduate School and the department director to be official.

**NOTE:** Please communicate with your Graduate Advisor about when would be the most appropriate term to schedule your Final Review. It is important to know the final cut-off date for scheduling your review. You should receive an email from the Final Review Coordinator approximately one week prior to the start of the semester you will be presenting your Final Review with details on how to sign-up. The email will direct you to the Graduate Midpoint and Final Review Showcase [http://gradshowcase.academyart.edu/](http://gradshowcase.academyart.edu/).

**B. Review Orientation**

You are required to watch the online Final Review Orientation prior to completing the Final Review sign-up form online. You have the option of presenting your Midpoint or Final Review online or on campus. If you will be doing your Final Review online please review the [online presentation specifications](#). You will be sent confirmation of your review date shortly after the close of the review sign-up period. Please contact the Final Review Coordinator if you have any questions on scheduling your review.

**C. Attendance & Cancellations**

Final Review attendance is mandatory. All Final Reviews must be held at the end of the semester in which you complete your regular program units. If you do not attend the Final Review will be considered a “No Show” and will be noted as “Not Approved”.

Cancellations or postponements may be approved as a rare exception, all requests must be organized through the Final Review Coordinator at least 5 working days prior to the scheduled review date. Late cancellations or postponements will be considered “No Show” and will be noted as “Not Approved” for the Final Review.

Students are asked not to invite non-committee members, friends or family to their Final Review. Please do not provide food at the Final Review.

PDF/ PowerPoint Presentation:

Your PowerPoint or PDF presentation will need to start with an introduction/title slide and end with a conclusion, which indicates the end of the presentation to the panel.

It is best to keep your written text in bullet point format or very short sentences in the presentation. You don’t want the Review Panel to have to read a lot of written information and listen to your oral presentation simultaneously.

Here are some important presentation development guidelines that you must follow for the online Web Conference:

- **Font**: Use an easily readable font (some fonts do not load correctly). Use a font size and color that is large enough to read.
- **Images**: Make sure your images are large enough to be clearly seen without being pixelated or blurry and no text outside of the class number and date on images.
- **Credit**: When including art made by other artists, credit the artist.
- **Content**: Use bullet points instead of written paragraphs. References, copyright information, and technical notes may be included at the end of the presentation.

Equipment and Testing Requirements:

**Online Presentations**: You will be contacted by an Online Graduate Review Coordinator to test out your computer, connection, web camera and telephone. Please have your equipment ready to test at least two weeks prior to your presentation. Review Coordinators will typically contact you three weeks prior to your review to schedule a testing date and time.

## 7. FREQUENTLY ASKED QUESTIONS

<table>
<thead>
<tr>
<th>Question</th>
<th>Answer</th>
</tr>
</thead>
<tbody>
<tr>
<td>When can I schedule my Final Review?</td>
<td>Once you have completed your eligibility requirements and have petitioned to graduate, contact the Final Review Coordinator via email at <a href="mailto:FinalReview@academyart.edu">FinalReview@academyart.edu</a> to be added to the presentation list. <em>You must be in contact with the Coordinator no later than the first few days of the semester you wish to present.</em></td>
</tr>
</tbody>
</table>
| Who do I contact with any questions regarding my Final Review?           | **Final Review Coordinator** (Please refer to page 18)  
**Final Review Chat** (Please refer to page 15)  
**Your Advisor** (Please refer to page 15)  
**Department Coordinator/Administrator** (Please refer to page 18) |
| Does my proposal book have to be 8 ½” x 11” and spiral bound?           | Your Final Book must be no larger than 11x17 size and no smaller than 8x10, and though it must be professionally bound, there is room for creative freedom for how the books are presented. We have had many students who have presented alternative presentations to a spiral bound book such as handmade books, or self-published books (example: [http://www.blurb.com](http://www.blurb.com)). |
| How many pages should the Final Thesis Book or Final Portfolio be?       | There is no specified length for the completed written proposal. The written proposal should be thorough in describing all aspects of your project, but you also want to think about how you can be concise and avoid redundancy of information in the content. |
| Can we include work we’ve done outside of the Academy?                   | No. All work included must be created exclusively within your classes here at the Academy of Art University. |
| When do I need to upload/submit my books:                               | **Fall/Spring students:** Must upload PDF version of Final Review book two (2) weeks prior to reviews and submit hard copy **one (1) week prior.**  
**Summer students:** Must upload PDF version of Final Review book one (1) week prior and submit hard copy **72 hours in advance.** |
| Can I use fancy text, borders and custom backgrounds for my PowerPoint presentation? | We would recommend against it. Simple, easy to read and easy to see content is best. |
| How much time do I have to present my Final proposal?                   | Final Reviews are approximately 30 minutes in duration. |
| What are the square footage requirements for the Thesis project?         | 30,000 sq. /ft. is a guideline. While there is a recommended minimum size (larger than your studio class requirements), it really depends on the project. We encourage students to select a building that is at least 30,000 square feet to ensure a rigorous investigation and in depth final solution. |

9. **ONLINE PRESENTATION DETAILS**

A. **Scheduling a Meeting with an Online Graduate Review Coordinator**

Academy of Art University's Online Graduate Review process provides a means for Academy students to present their project proposals via the Academy's online meeting environment. An Online Graduate Review Coordinator will contact you after your review has been scheduled to test your computer, internet connection, web-camera, and telephone. The Online Graduate Review Coordinator will also show you how the online review process works and how to upload and use your slideshow during your oral presentation. Students presenting online are required to have their equipment and any required presentation materials ready to upload and test at least two weeks prior to the presentation date (1 week for the Summer Semester).

B. **Online Presentation Guidelines**

You are required to provide a PowerPoint or PDF presentation with visual and written information that will go along with your oral presentation. Be sure to follow your department guidelines, as some departments have different requirements. You can also find a checklist below with details on what to include in your presentation.

- **Font:** Use an easily readable font (some fonts do not load correctly in Adobe Connect for PPT files). Use a font size and color that is clear to read.
- **Images:** Images need to be in JPEG format and optimized for web viewing. Review your department requirements for labeling and titling your images.
- **Credit:** When including art made by other artists, credit the artist.
- **Content:** It is best to keep the text in bullet point format or very short clear sentences instead of written paragraphs. References, copyright information, and technical notes may be included at the end of the presentation.

Please refer to the links below for technical requirements:
