## MIDPOINT REVIEW POWERPOINT PDF GUIDELINES

**PowerPoint Development Guidelines:** Whether you decide to follow the provided PowerPoint template or create your own presentation, you will need to start with an introduction/title slide and end with a final slide, which indicates the end of the presentation to the panel.

**Font:** Use standard fonts and use a font size and color that is large and clear enough to read.

**Images:** Make sure your images are large enough to be clearly seen.

**Content:** Use bullet points instead of written paragraphs. References, copyright information, and technical notes may be included at the end of the presentation.

**NOTE:** If you have a specific font to use, save your PowerPoint as a PDF. Keep in mind that the fonts must be easy to read.

**File Types:** You are able to load the following file types separately into the online meeting room. Let your online learning coordinator know when you do your rehearsal:

- *SWF*
- *HTML*
- *FLV*
- *mp3*
- *mp4*

## 7. FREQUENTLY ASKED QUESTIONS

When can I schedule my Midpoint Review?	Once you have completed your eligibility requirements, you can sign up online when the sign up is available. Check the Graduate School calendar for dates and the <a href="#">Graduate School's Midpoint Review Page</a> for the sign up link.
How many pages should the thesis book be?	There is no specified length for the completed written proposal. There are some sections that have limitation of length, but the main part of your proposal does not have a limit. The written proposal should be thorough in describing all aspects of your project, but you also want to think about how you can be concise and avoid redundancy of information in the content.
If I'm an online student, do I need to send in physical samples of my class work?	No.
Can we include work we've done outside of the Academy?	Work not executed at the Academy of Art University should not constitute more than 10% of your portfolio presentation.
Am I supposed to have a fully developed thesis or portfolio prepared for the Midpoint?	No. That will be developed through your group directed studies after you pass your Midpoint Review.
Can I use fancy text, borders and custom backgrounds for my PowerPoint presentation?	We would recommend against it. Simple, easy to read and easy to see content is best.
