

MIDPOINT & FINAL REVIEW: Resubmitting Your Review Content

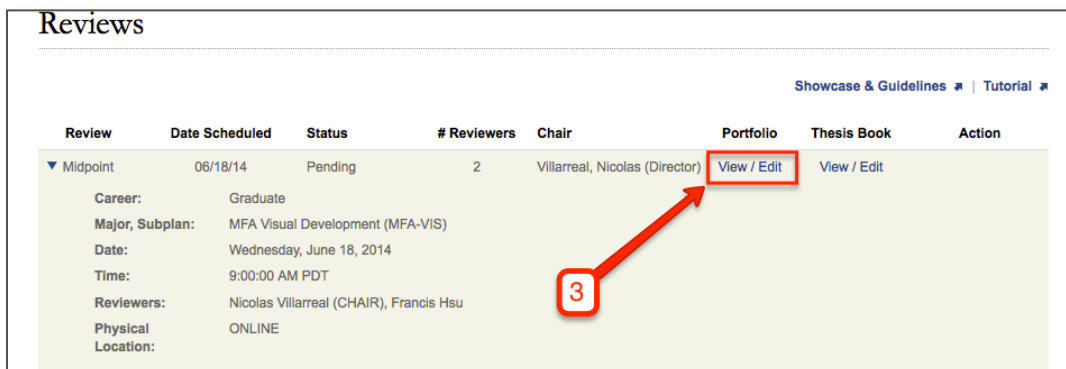

1. Go through your dashboard to the **Reviews** section ([Accessing Review Results](#)). You will see a new review listed as **Midpoint Resubmit** or **Final Resubmit**. Click on the arrow to open the review.

2. You will now have the option to upload a new **Thesis book** (or Midpoint Proposal). Upload using the same steps you used to load your original book. See Loading Your Review Content for more details if needed.

3. If you are required to upload new portfolio images, movies or animatics, upload them under **Portfolio**.
